HACKSAW MACHINES

PRH 250

Simple attendance and high efficiency make possible modern sawing of steel as well as non - iron metals.

Technical specification

- sawing plate 400x32x2,0 mm
- length of raise 104mm
- number of raise 61, 99, 158/min
- dimension (hxwxl) 1100x845x1430 mm
- weight 350kg
- electrical power 1 500 W
- voltage 380/220 V

	○	□
90°	250	250x250
45°	175	175x250

PRH 300

High cut accuracy, simple attendance, modest service, low disturbance.

Technical specification

- sawing plate 500x48x2,5 mm
- length of raise 104 mm
- number of raise 61, 99, 158/min
- dimension (hxwxl) 1100x845x1430 mm
- weight 350kg
- electrical power 1 500 W
- voltage 380/220 V
